MARTIN'S DAY TO SHINE

JOCKEY PILOTS FOUR OF HIS MOUNTS TO VIC-TORY AT DOUGLAS PARK.

Alertness at the Post Great Factor in His Success -Cream Beats Clubs in Thrilling Finish-Granite Comes Back to Races a Winner.

Louisville, Ky., May 28.—Jockey E. Martin came into the limelight at Douglas Park this aftermoon by piloting four of the six winners. His afterness at the post played an important part in his series of victories. He inaugurated his successes on Granite, which clearly ouclassed his opposition in the opener, followed it up with a victory on T. C. McDowell's two-year-old, Dark Flower, in the third race, and concluded his good day by scoring with Loveland and Star Actress. On the latter two he won enough advantage going to the first turn to give his mounts the victory.

Heat records were broken this afternoon, but racing here has taken such a firm hold that it did not prevent a big crowd from again being on hand to witness the sport. Fast time was again the order during the afternoon and one track record went by the board when Dark Flower finashed four and a half furlongs in 53%, reducing the former record of 54 held by Bitter Miss.

The \$700 mile handicap was the main offering and resulted in a splendid contest, with Cream the winner in the last stride over Clubs, and Benace In third place. Clubs was clearly best in the race, but Waldron made the mistake of taking him to the outside on the two last turns and the ground he lost cost him the race. Obert handled the winner in superb fashion and saved much ground with her in the last stride was claimed out of a selling race after his defent by Martinos at Churchill Downs, showed himself this afternoon to be a colt above the ordinary by handlig disposing of some good youngsters, including Supernuman, Mars Cassiy and Delano.

Jockey Walter Taylor was suspended for five days by the stewards after the fifth race for rangh riding soon after the start while astride Big Spirit. Beaumont Belle was the chief sufferer and she was pulled out of contention completely when Obert lost a stirup.

Jockey A. Green was suspended for the remainder of the meeting by starter Morrissey for incompetency. He was practically left at the post on the same stable was sold at private terms loday

BETTING ARRANGEMENTS AT BELMONT PARK.

The New York Sun says of the betting that took place at Belmont Park, or opening day:

"There was much curiosity to see how the speculation, which is regarded as a necessary adjunct to horse racing, would be conducted. The situation had been fairly outlined by recent court decisions and the track meangement was more than willing to respect the was County as to comply lewis. A Smith of Nas in County as to complying with the law. The district attorney was engaged in trying a case at Mineola, but he sent a number of county detectives to see that the law was obeyed. Sheriff Pettit also sent over a force of twenty-live deputies f, charge of Deputy Sherif Rayner, but the proceedings were so orderly throughout the day that not a single arrest was made. "There was no Granized bo kmaking, but at the same time there vas an abundance of wagering among friends, who were so well acquainted that there was no occasion to pass money. All subterfuges and concealment was done away with, such as whispering of otls and then recording bets by a clerk writing down the wagers on paper concealed in his pocket. Men who had a wide acquaintance on the rate track, some of whom had been known as bookingters in the old days, were ready and willing to heep the wagers of those known to them. All that was necessary was for the man who wished to support on a slip of paper, with the size of the wager and his name and hand it to a ban who was willing to lay the odds. The slip then was tucked away and a general settlement had after the last race had been run."

LADIES' HANDICAP TO FLYING FAIRY.

Cassatt Filly Shows Game Performance in Taking Belmont Park Feature-Cabaret a Winner.

New York, May 28.—In a spectacular finish, in which the first three horses were noses apart, Flying Fairy, carrying top weight, won the forty-fourth running of the Ladies' Handicap today from fair opposition. The Cassatt filly went into the lead in the first quarter of a mile, closely followed by Tarts and the two seemed to have the contest between them, but when midway of the stretch, J. G. Oxnard's Cadeau came from the rear and, in a sensational stretch drive, the three passed the stand closely aligned. Flying Fairy, showing rare gameness, just lasted to win.

The Ladies Stakes was established in 1868 at Morris Park, then transferred to Belmont Park. Its tabulated history since 1900 is given below:

In the third race, which was a handicap over the six-furlongs main course, H. P. Whitney's Meeting House, brought over from England last season, was making his first appearance in a race in the United States. Meeting House opened up a long lead in the early stages, but had to be ridden out at the end to dispose of Thornhill. There is a possibility that he may have been a trifle short in today's race. It is said he is touched in the wind.

Captaia E. B. Cassatt, in addition to winning the Ladies Handicap with Flying Fairy, took the first race with Hydroplane, which came from behind to win over J. L. Heiland's Haversack. Perthshire won the second from Gordon after leading throughout, David Gideon's Scorpil had an easy task in whiting the fifth. He was always in front and although Lady Rotha, after swerving to the outside at the quarter-post, came again in a determined challenge, he easily held her safe.

They have been turned over to Louis Feustel, former trainer for August Belmont, to train and ship to Belmont Park.

FRIENDS OF RACING SCORE AGAIN.

Louisiana Legislators Extend Time for Report on Reinhardt Bill for State Commission.

Baton Rouge, La., May 28.—The advocates of racing scored a distinct victory in the house of representatives today when by mutual consent and by compromise the Fontenot resolution, which ordered the Reinhardt racing bill out of committee tomorrow, was amended to extend the time until next Wednesday. This was on request of representatives Reinhardt and Labarre, who are handing the racing bill. The opposition had hoped to force the issue tomorrow and kill the bill. Since the crowd of New Orleans merchants came to the capital and appeared in advance of the measure, it has gained support.

One hundred representative citizens of New Orleans appeared before the City Affairs Committee of the lower branch of the legislature at Baton Rouge, Tuesday night, and through spokesmen that they had chosen to present their side of the case, urged the passage of the Reinhardt bill permitting the restoration of racing in Louisiana under the supervision of a state racing commission. The learning was held in the hall of the House of Representatives, and the crowd was so large that standing crowd, every point scored by the speakers being greeted by uproarious applause.

Only the proponents of the Reinhardt bill spoke before the committee. Their opponents did not ask for a division of time. At the conclusion of the hearing a subcommittee was appointed to revise and redraft the bill, and report to the full committee.

vise and reduaft the bill, and report to the full committee.

The argument in support of the bill was opened by Representative Reinhardt, the author of the measure. He explained that he took the lead in handling the racing bill in the legislature at the solicitation of the leading business men of New Orleans. In giving his reasons for pushing the passage of the bill Mr. Reinhardt said that racing is recognized as a legitimate and lawful sport in France, Spain, Italy and Austro-Hungary, four of the leading Catholic countries of the world, in England, a leading Protestant country, and in the state of Kentucky, one of the most progressive commonwealths of the American Union. Explaining the pari-mutuel system of betting, Mr. Reinhardt said the machines were nothing but stakeholders.

I. B. Rennyson said he came to Baton Rouge to support the Reinhardt bill because the business men of New Orleans need the restoration of racing. Mr. Rennyson then read the list of New Orleans business men who had come to Baton Rouge to support the Reinhardt bill because the business men business men who had come to Baton Rouge to support the bill.

Representative Clayton, of Concordia, interrupted Mr. Remyson with a question, asking why there were no saloon keepers or brewers on the list.

Replying, Mr. Remyson said that there were none of that class in the delegation because it lad been charged that only saloon keepers and brewers favored the return of the races, and they wished to show the legislature that the leading citizens of New Orleans advocated the Reinhardt bill.

Chairman Kantz, at the conclusion of Mr. Claiborne's address, invited the opponents of the bill to present their side to the committee, but no one responded to the invitation. The opponents of the bill had previously amounced that they will make their fight on the floor of the House.

Opponents of the bill claim that they will muster at least sixty-five votes against the measure on final passage.

CALGARY'S CONNAUGHT CUP

STABLE OF ROBERT DAVIES SCORES ITS FIRST SUCCESS OF THE SEASON.

Dark Rosaleen Wins the Maple Leaf Stakes for President Joseph E. Seagram of the Ontario Jockey Club-Steeplechase for Gwyn Tompkins.

Toronto, Ont., May 28.—Joseph E, Seagram and Robert Davies, two of the leading Canadian owners, scored their first victories of the season when Dark Rosaicen won the Maple Leaf Stakes, and Calgary accounted for the Connaught Cup at Woodbine this afternoon. The conditions of both races called for horses belonging to Canadian owners. The former had an added value of \$2,000, while the Connaught Cup was of \$3,000 added value. With the latter stake 'also went a handsome gold cup, the gift of their Highnesses the Duke and Duchess of Connaught.

The Maple Leaf Stakes was instituted in 1892 and its condensed history since 1900 is as follows: Year. Winner. Wt. Jockey. Val. Apart from the these two stakes, an additional feature was provided in the Baldoyle Steeplechase, to which a purse of \$1,000 was added. Gwyn. Tompkins' entry. Turbine and The Prophet, finished first and second in this race, the former winning in a canter. Four of the seven starters came to grief at some stage of the running, but fortunately none of the horses or riders susfained injury.

A trenendous gathering turned out, the ideal day and high-class program provided by the club being too strong a magnet for race-goers to resist. The attendance this spring has been extraordinarily large, due in some degree to the new grandstand and other improvements made since ast fall.

The Ogden colt Calgary, showed a return to the form he displayed as a two-year-old when he galloped home an easy winner in the Connaught Cup. He was ridden by Claver, made all of his own pace and beat Hearts of Oak by three lengths. The pace was fast throughout, the first mile being run in 1:40%.

and beat Hearts of Oak by three lengths, The pace was fast throughout, the first mile being run in 1:40%.

E. W. Moore's handsome filly Crystal showed that her victory of the other day was no fluke by coming back this afternoon and beating a smart band of fillies in the second race. Crystal won her race, by half a dozen lengths after being eased up at the finish. Polly Flinders, which fluished second, propped when the break came and lost considerable ground. She fluished well and is undoubtedly a fair filly.

Other owners who won for the first time at the meeting today were J. W. Fuller, Amos Turney, Cwyn Tompkins and J. B. Respess. The track was in splendid condition, faster probably than on any previous day of the meeting and a majority of the winners had plenty in reserve at the finish. Trainer Matt Feakes announced today that he would make no effort to get the long-distance mare Pandorina to the post before next fall when she would again receive a special preparation for the Kentucky Endurance Stakes and some of the long-distance events to be run on the Canadian circuit. Fifty Five pulled up lame after being worked yesterday and fears were expressed by his trainer that the horse had broken down. This was responsible for his being withdrawn this afternoon.

Steeplechase Jockey Harvey Boyle, who got a nasty fall in Wednesday's Jumping race, was up and about today. He will, however, be unable to ride for a few days. Kermath, who was shaken up in the same race, rode Turbine this afternoon.

Two of starter Dade's assistants, McGinty and Cordilla, left for Montreal yesterday to erect some of the starting gates and sehool the two-year-olds quartered at Blue Bonnets, William Shyder will leave Friday night. He will do the starting on the opening day of the Montreal Jockey Club's meeting.

It is reported that the Ypiranga landed her cargo of war munitions at the same place.

Modification in the Marican controvers

Mediators in the Mexican controversy are reported to have reached a complete agreement on all points and have submitted their recommendations to Presidents Wilson and Huerta. The tentative plan provides for a provisional government of five commissioners, representative of all factions, with the constitutionalists in the majority; the United States to recognize and support this provisional government and to withdraw its troops the moment it becomes operative; Huerta to remain in power pending the provisional governments establishment and to officially turn over to it the government of Mexico; an election to be held under reformed laws at an early date. In addition the mediators make a strong recommendation to the provisional government for radical reforms in the land laws.

Of the fourteen events scheduled, ten closed today. Those that had previously closed included the Wintney Memorial Steeplechase, the Piping Rock Subscription Serial Handicaps and the Piping Rock Grab Bag Handicap. The latter is a new feature, being a sweepstakes restricted to two-year-olds to run in the interest of members of either the Piping Rock Racing Association or the Piping Rock Club. Of the turity-eight subscribers twenty-six have named a representative, and this means a great collection of two-year-olds. The value of the event will be over \$5,000, all of which goes to the winner, this being the condition of what is a sporting event in the fullest sense of the word.

The advance sale of boxes and tickets assures a duplication of the social glories of previous meetings at the track, in fact the great success of the previous meetings of the association is likely to be eclipsed.

The entries for the races closed some time since are as follows:

Piping Rock Grab Bag Handicap; for two-year-olds; about four and a half furlongs.—Silver Thread, John G. Agar; Sentiment, J. E. Aldred; Half Rock, August Belmont; Lampoon and Top o' the Morning, C. Wanda was a celebrated race mare, really in her time the best performer of her age and sex. She won eight of her thirteen races as a two-year-old and was second in three and unplaced in the other two. As a three-year-old, her last season on they turf, Wanda won four of her eleven races, was second in five and unplaced in two. She won the Tyro, Champion Stallion, Flatbush, Central, Swift Mermaid, Lorillard and West End Hotel Stakes and closed her career at Baltimore, where she ran second to Longview in the Breckenridge Stakes at two miles. Maggie Minor started only once, that as a two-year-old at a mile and was second to the great race horse, Kentucky, defeating the mighty Eagle. It is a family of stayers, however, distinctly American it may be from which this latest winner of the great English classic comes.

HORSES IN THE COCHRAN STABLE.

HORSES IN THE COCHRAN STABLE.

New York, May 28.—The stable to be raced this spring by Alex Smitth Cochran and his brother, Gifford A., is a large one. Seventeen racers belonging to these sportsmen are stabled at Belmont Park in charge of W. M. Midgely, His Majesty, Early Rose, Peaceful and Decoy are the members of the string that will race in the colors of Alex Smith Cochran. His, Majesty, a four-year-old colt by Ogden—Her Majesty, that unfortunately went wrong last spring, is in training again and should he return to his best form will be worthy of consideration in any company. Early Rose, a three-year-old filly by Star Shoot—Lady Bedford, promised great things on her spring form at Belmont Park last year, but raced disappointingly thereafter. She wintered well and is in good condition at present. Despite her poor form of last summer she is well thought of by the stable connections, as is evidenced by her many stake engagements. She was nominated for the Metropolitan, the Ladies Landicap, the Withers, Larchmont, Toboggan and Belmont handicaps. Peaceful and Decoy are two three-year-old maidens. The first named has never faced the barrier and is named in the Withers and Toboggan handicaps and the Harlem Selling Stakes. Decoy's stake engagements are the Withers and Harlem.

Fighny, Connemara and eleven two-year-olds will race in the interest of Gifford A. Cochran. Figinny, a three-year-old filly by Ardoon—Powerscont and has yet to carn brackets. She has been nominated for most of the big stake events to be decided during the meeting. Connemara, is an imported three-year-old filly by Ardoon—Powerscont and has yet to carn brackets. She has been nominated in the Withers and Harlem.

Of the eleven two-year-olds that will race for G. A. Cochran, Incognita, a bay filly by Disgnise—Homespun and a sister to Figinny, is considered the best. She has been nominated for the Kee, Memorial, the Fashion and Laureate stakes. Mr. Cochran has engaged his two-year-olds liberally in the stake events for youngsters to be run during

THE RUMP ran a game race, but was on the outside of the leaders all the way and tired in the stretch drive. LOVE DAY-closed a gap and finished resolutely.
BERNADOTTE began slowly and was far back for the first half, but was overhauling the leaders at the finish. CLIFF EDGE set a good pace to the stretch and tired.

Winner—Ch. c, by Voter—Noonday (trained by J. Rowe).

Went to post at 3:35. At post 3 minutes. Start good and slow. Won ridden out; second and third driving. MEETING HOUSE showed a high flight of speed and raced into a long lead while rounding the turn, but tired and had to be ridden out to outstay THORNHILL, being evidently short and the effort will improve him. THORNHILL raced in closest pursuit throughout and, responding gamely to punishment, was gaining on the winner in the closing strides. NAIAD raced well and easily disposed of the others in the last ciphthe, PROGRESSIVE saved ground all the way. ALTAMAHA retired after going a half.

Went to post at 4:11. At post 1 minute. Start good and fast. Won driving; second and third the same. FLYING FAIRY raced into the lead in the first half and drew away while rounding the turn, but was tiring at the finish and just lasted long enough to win. CADEAU, best at the weights, began slowly and was forced to go around on the outside, then made a wide turn when entering the homestretch and, after losing much ground, responded gamely to punishment and would have won in another stride. TARTS set the early pace and, hanging on resolutely, would also have beaten the winner in the next stride. ADDIE M. closed a big gap and finished fast. CROSSBUN raced well and met with interference. EARLY EOSE and ISIDORA were repeatedly cut off. GOLDEN PRIME ran a good race. TRUMPS tired after running: fast three-quarters.
